President's Report

Welcome and thank you for joining us to celebrate another fantastic year of Rams Softball!

Tonight we will take the time to celebrate and acknowledge our players, our coaches, scorers, managers and fantastic volunteers across the board!

This evening wraps up another year, and it is important to take a moment to reflect on the highlights, starting way back in May when we were recognised as SNSW Club of the Year!

We then went on to achieve our "Good Sports" Gold accreditation all before starting our pre-season 'come try and train program', in July, this year running for 6 weeks and was once again a success! We also held a 'Come and Try' Day which has a 100% success rate in registrations! Thank you to our committee members and coaches for helping to facilitate these programs.

We also held mass marketing campaigns. Distributing over 2500 flyers, holding stalls at shopping centres, and in particular our incredible social media presence.

It is exciting to see this hard work pay off, with our registration numbers increasing 55%. This combined with an incredible retention rate of 88%, saw the club grow to its largest numbers in just over 10 years of history!

Speaking of 10 years, we held a fantastic 10year celebration, a trivia & games night, which by all accounts was enjoyed by all! To the committee that helped organise this event a massive thank you!

With increased numbers came increased teams, and for the first time Rams entered a team into every division. Thank you to the coaches who dedicated their time week in and week out to not only run training, but be available for games. I hope I speak for all families in saying your time, energy, skills and passion are valued and recognised!

We had success across the board, and whilst a rain affected finals meant we did not qualify for grand finals, all our teams finished within the top 4, an incredible effort with so many new players to the club!.

Our members this year represented across the board, with 70 individual representative achievements across our players, scorers, coaches and managers!

This season we continued our partnership with The Fiddler, with the weekly meat raffles being a huge contribution to our fundraising efforts. Fundraising is a huge aspect of club sport and to all those that helped, my biggest thank you's

I would like to conclude by thanking our sponsors for their ongoing support, The Fiddler, Outback Steakhouse, Sinalli and Bella Beaumont. To the committee, thank you for your ongoing efforts. Without you, the club could not run, nor be as successful as it is! To our coaches, managers and scorers, thank you.

Finally, to the players and parents, I hope you enjoyed the season, and we hope to see you return next year! (and maybe see you on committee!)

Treasurer's Report

AGM

Bank balance last AGM - \$12594.39

Bank balance today - \$12,290.19

Difference being - \$304.20 down
